La Grange, IL | (708) 315-4997 | ChrisD2253@gmail.com | [LinkedIn](#) | [GitHub Portfolio](#)

PROFESSIONAL SUMMARY

Business Intelligence & Analytics graduate with experience translating operational problems into practical solutions through data analysis, process improvement, and AI-assisted product development. Built and launched an iOS application using a personal AI agent to accelerate requirements, implementation, testing, and release. Skilled in SQL, Tableau, data modeling, stakeholder communication, and disciplined execution.

EDUCATION

Concordia University Chicago — River Forest, IL

May 2025

Bachelor of Science, Business Intelligence & Analytics — GPA 3.6, Dean's List Scholar, National Honor Society

- Scholarships: Cougar Award for Academics, Leadership Scholarship, Krentz Grant, IABSS Student Success Scholarship
- Men's Soccer Team; completed capstones in strategic decision-making and comparative BI-platform analysis

CERTIFICATIONS

- **Anthropic:** Claude 101; AI Fluency (4D Framework: Delegation, Description, Discernment, Diligence)
- **Google, Coursera (2025):** Foundations of Business Intelligence; Data Models and Pipelines; Dashboards and Reports

TECHNICAL SKILLS

- **Data & Analytics:** SQL, Tableau, Data Modeling | **Programming:** C++
- **AI & Business Tools:** AI-agent workflow design, Microsoft Excel, Word, PowerPoint, AdvancedMD

PROJECTS

Coach's Corner — AI-Assisted iOS Product Development

Live on Apple App Store

- Directed a personal AI agent through product requirements, UX decisions, implementation, debugging, testing, and release preparation, turning an idea into a production iOS application.
- Built a mobile youth-soccer planning tool with customizable practice sessions, drill libraries, and saved-plan workflows; managed iterative quality assurance and deployment decisions.

PROFESSIONAL EXPERIENCE

Front Desk Associate — *LaGrange Fitness*

July 2024 – Present

- Serve as first point of contact for members, handling payments, class bookings, and personal training scheduling with a focus on accuracy and customer satisfaction.
- Field member questions and resolve scheduling conflicts in a fast-paced, high-volume environment.

Office Manager — *Balance Fitness for Life*

June 2022 – March 2026

- Managed patient accounts, billing, insurance verification, and appointment scheduling within the AdvancedMD medical database.
- Identified recurring claim denials and payment delays caused by coding and billing errors; diagnosed and corrected root causes to prevent recurrence.
- Coordinated daily office operations while balancing administrative workload with direct patient communication.

EXTRACURRICULAR & LEADERSHIP

- **Endurance Athlete** — won a 12-hour endurance run, setting the course record with 65 miles.
- **Soccer Coach** — led the U13 First XI boys team at La Grange Celtics for three years, developing skills and team strategy.
